It is rumored that Gideon got his morning start like this after working one winter in a logging camp bossed by a Mr. Bunyan. Mr. Bunyan's motto was: "Fill them up and they'll work all day." Go ahead ... you deserve it!

Three eggs, toast or cakes, 8 oz. of choice sirloin or country fried steak, and our famous country hash browns.

We advise that eating raw or undercooked meat, poultry, eggs or seafood poses a health risk to everyone, but especially to the elderly, young children under age 4, pregnant women and other highly susceptible individuals with compromised immune systems. Thorough cooking of such animal foods reduces the risk of illness.
